## K-12 Comprehensive Virtual Title IX Training

On May 6, 2020, the U.S. Department of Education issued new Title IX regulations. The regulations, which took effect August 14, 2020, significantly change schools' obligations when addressing sex-based harassment and discrimination complaints.

Due to popular demand, Thrun Law Firm is offering additional opportunities to attend its comprehensive virtual Title IX Sexual Harassment training for all K-12 employees who will serve as Title IX Coordinators, Investigators, Decision-Makers, or Appeals Officers. This training will satisfy new training requirements and will cover, among other topics, the new complaint, dismissal, investigation, decision, and appeal procedures and the new definition of sexual harassment. The training will ensure that school officials responsible for implementing the Title IX regulations are well-versed on the new requirements and their roles in the new process. ATIXA-certified Thrun attorneys will be available to answer questions during the training. Attendees will receive an electronic certificate of attendance.

Training dates: **Wednesday, September 2, 2020** or **Friday, October 2, 2020** from 10:00 a.m.-3:00 p.m. Breaks will be provided.

The cost is **\$195** per person for retainer clients and **\$295** per person for non-retainer clients. To register, please complete and return this form. Each attendee will receive an email with a Zoom link to the training after the order form has been processed.

Due to Zoom limitations and to ensure the training is effective for all attendees, space is limited. Register today!
